

Looking for passenger seat for newbie

Hi guys,

I'm trying to find a passenger seat for Rob Davis, the guy who bought Bob Zimmerman's car, to use for the January DE. He is going to buy a new driver's seat and move the current one to the passenger side, but he won't be able to do that for the event. He and his son Andrew are both interested in moving into race group and I'm trying to help them get some things sorted out. Please let me know if you can help.
