| Who is in? I am not signed up but plan to go. It is the last chance to get in some laps before the championships. |

| Anyone else? This used to be our biggest event. My schedule is tight with Nats less than 2 weeks after and I'm on the fence about making October if it is a small field. I might save my money and do the Thurs test session on 11/6. |

| Ken and Aubie are in from what I can see. I have also signed up. |

I signed up this morning but I'm going to use the weekend as a 2 day test for nationals. I debated about racing or testing the day b4 nationals, and with PRC's new rules I wasn't looking forward to it but Porsches at the Point is a tradition so as it stands I'll be there.
