Anybody have spare stickers lying around? I guess I need the mandatory NASA stickers and TOYO stickers as well as Hawk"s

If you do and your coming to Thunderhill I'd really appreciate it if you could bring them and I'll gladly reimburse y'all.

You should be able to get the NASA stickers at Registration and Ken should have the Hawk and Toyo ones.

(I have some NASA ones and I'll bring them)

I have the Toyo's and maybe some NASA stickers.

I'm out of the Hawks.
