Hey Jerry, what's going on at Thunderhill on friday? I'm scheduled off but but signed up for a training class at work(on overtime!) but might be able to skip it if something good is happening at my favorite track!

I'm going up there with Team-Racing.I bought a DE day for my son for his birthday - and of course have to be there myself for support!
(I'm sure that if you wanted there is room in the Advanced group where we are - its pretty undersubscribed)

I was quoting the price that is currently listed on their site: www.thunderhill.com/html/services.html . But in hind sight this price may not be at all accurate as a lot of www pages tend to be out of date.
Thanks for checking it out in person.
