Hi SoCal Guys,

One of our NorCal 944-SPEC guys will be there attending the Driving Concept Racing/Competition License School.

His name is Aubie, he'll be driving a dark blue BMW for the school.

Please say Hi if you get the chance.

SoCal Looking forward to a date at California Speedway!

Here's a pic of the new guy who'll be there. Chris Allen had a blast renting a car out at Willow and is already signed up for Cal Speedway....
