

Autoclub Speedway, May 16 & 17

Posted by dancing944 - 29 Apr 2015 11:33

Gang:

Don't forget to sign up for racing in Fontana. We usually have a good turnout for Autoclub Speedway. I'm hoping we can do that again this time.

Have you considered a Hanksville cage? They sell a pre-notched prefit cage that you just weld together. It looks like a good deal to me considering how much time it takes to do that part of the cage build.

As far as set up goes. 3.5 front 2.5 rear 1/8 toe out front 1/8 toe in rear. You can use this for most tracks.

Thanks for the setup tips, and yes, I would love to do a Hanksville cage, but I can't afford it on my no money budget. I have a friend, with the skills, and a tubing bender, and we can both weld, so... I will be at Buttonwillow in June, doing HPDE. I will be getting the cage done after. I will be racing in October!

I just wanted to say it was a great event and really enjoyed seeing some familiar faces again and meeting the rest of the group. Everyone was very friendly and welcoming to both Miye and I; we both had a great weekend. The racing was close and intense and it was a blast to be able to run with a close group of very good drivers. I'm still going through pictures/video so I'll be sharing more soon but here's a good group photo to start.

I'm looking forward to seeing you all again at Laguna Seca!
