My engine is in and running thanks to Jim and Chuck's help.

Thanks to Everett for his outstanding garage deal.

Thanks for arranging the garages Everett. 12 racers signed up is a great showing. I talked to 7's only and they will try and park near the garages. See everyone Saturday.

Jim your amazing, you build motors, ships, airplanes...

We can hold hands and sing Kumbaya over your motor this time since the sage didn't work on the last one:)

Up to 14 racers now!!!

Woo-hoo! Full house!

Quick question for the brain trust, or specifically Everett:

#5 on the event information states (in red, so that's serious, right?) that you can't park in garage area without a garage assignment.... So, does that mean us TTers have to use the RV lot, or does Everett's "special deal" allow us to park with y'all near the garages?

See you tomorrow!

Clay
