

NASA race: Buttonwillow April 22 and 23

Posted by dancing944 - 06 Apr 2017 06:45

Hey Gang, don't forget to sign up soon. Buttonwillow in April is really a great time for racing. An outstanding track, and we have had some very close, and fun, racing there. I'm certain this one will be another great weekend.

Maybe I can get Dr. Greg Greenbaum (TT/PT director) to give me a physical at the track on Saturday. It's all I need to go racing, and my window net. I'm getting awfully jealous watching you guys race.
