Sorry I wasn't able to race with you guys at Thunderhill, but I'm signed up for Buttonwillow. Who else is going? -Jerry

I could grill some chicken. I have a pretty easy to make marinade that is good. But I don't have a grill. It might also be a little easier to make sure the chicken stays cold if someone with an RV has a little extra room in their fridge. But I'm happy to grill that and maybe some veggies. Or if others have different ideas

We don't have a grill either. I think last time we borrowed one from 7's Only.

Suggest asking them.

Also, Not all of us monitor this site. I suggest an email blast to all of us that are registered to make sure everyone sees it.

We can help. Just let us know what needs to be done.

We will bring ribs, and we have a small grill.
