

Buttonwillow

Posted by Big Dog - 02 Nov 2008 11:47

Who is going to race at Buttonwillow next weekend. If there are going to be some 944ers, Big Dog, Barb, Peanut and Pit Pussy will plan on being there to race.

Speak up gentlemen, lets get a PARTY together for the weekend. I am ready to race and am looking forward to seeing old friends that I haven't raced with for awhile.

Big Dog and the Mothership
