| Championship winning 944Spec for sale \$12,500 OBO Posted by kimballkc - 04 Dec 2017 14:31 |
| This car is a solid, as reliable as a 30+ year old cheap racecar can be, and is fast. This car has won countless regional races, leading to a win in the SE points championship this season, and came in 3rd at Sebring during the East Coast National race this October. |
| Includes everything you need to win races- engine running at 140hp right on the legal limit, rebuilt 2 years ago with regular maintenence- this engine is bulletproof. |
| Koni shocks, Eibach springs, Weltmeister rear sway bar, MO30 front sway bar. Hanksville cage with additional reinforcements. Will include 2 extra sets of phone dial wheels. Traqmate data system with Mobius camera and custom dashboard. |
| Firecharger fire suppression system. Sparco RevGRPTech Seat, OMP Belts, Coolsuit system. |
| \$12,500 OBO, this car is currently located in Greenville SC at Barber Raceworks. |

The sale is pending. I have a prospective buyer that is supposed to be sending a check as a down payment for the car, but if I don't get that by the end of the week then it's fair game. My email is

944-SPEC - 944SPEC - low cost wheel to wheel racing
