You will be fully ready to run up front with this car. Very reliable. My daughter's hockey career takes priority over my addiction for the next few years, so it's time to adjust my debt ratio !! Car will be run at PPIR in August. Test drives can be arranged there. Pics available on request. Thanks http://www.nasarockymountain.com/nasa_forums/attachment.php?attachmentid=736&d=12479788
