Thanks! Re: WTB 944 LSD Posted by jeffb - 06 Nov 2012 17:16 thanks for the response. I left a message at the # you left. just need a few details. I'm putting in in an 87 924S with an 88 trive train. wondering about condition, what it came out of or code, where you are etc and price you're asking? Obviously everyone wants one...is there an aftermarket solution to this?

these solutions?
