

Need a oval dash cluster

Posted by PsychoRallye - 30 Dec 2012 08:39

Anyone know of one for sale? Just picked up a problem child 88 944 NA. It's OK if some of the gauges don't work...

Thanks

Justin

PS - Also looking for interior stuff - trunk area mat carpet, all the other carpets, the dash, etc.. etc... this is for a junker street car... maybe one of these days I'll convert to a spec, but I already have an ITA car..

I have a clean black carpet, a black dash with no large cracks, the dash cluster. The only thing I dont have is the trunk mat.
