

WTB Weltmeistr swaybar parts...anything u have

Posted by Tabbasco - 20 Feb 2013 05:34

I have the bar itself and the mounting blocks and the u clamps with bushings...I need everything else and paragon wants a fortune... if u have anything plz let me know if u know of parts...donations welcome!

We need to know:

Front or Rear?

Early or Late?

I have a few parts, but will have to go looking to see what is left.

Sorry

I need Front only Late (86) model car...I have both reinforced steel and aluminum control arms

Those are going to be hard to find.

I will look later, but I would only have a few of them. I know I do not have extra CC, AA or M
