

WTB: Four R-compound tires

Looking for a set of RA-1s, or RRs, 225/45-50/15. Or, R888s would work. Need them for Chuckwalla in February. Can pick up in Arizona, or at the race track. Not sure enough time for shipping.

Dave, if you want to run the Direzza's from our Chumpcar race you can.

Contact me if you want to go that route.
