

WTB short 5th gear set.

Posted by cbuzzetti - 05 Nov 2017 22:49

Looking for a short 5th gear setup for my 5 speed. I believe early and late are same.

Let me know if you got one to sell. Must be in good condition.

Are you still in need of a short 5th? I've got a set in a box I pulled from an '87 turbo.
