

Cookie Cutter Wheels w/ Toyo R888 225/50/15

Posted by Litespeeds - 09 May 2010 00:52

I am selling a set of 4 Cookie Cutter wheels in the size 15x7 et23.3 mounted with 225/50/15 Toyo R888 which was used for 1 race weekend. These tires were not shaved so there is lots of tread life. Even wear and no flat spotting. Tires new are around \$175 each so that would be around \$700 plus \$60 mounting and balancing. Wheels are around \$250 for the set so I will sell the complete setup for only \$600.

I prefer a local sale so I don't have to package and ship these wheels out. The wheels are at my shop in Fremont, CA 94538. Please e-mail me at
