

SoCal Autoclub event to be huge - sign up here!

Posted by Sterling Doc - 19 Jan 2012 08:21

OK guys, we really need a big event to spark the momentum again out West - the SoCal/Az crossover at Autoclub this March is where it's going to happen!

It looks like the whole podium from the 2011 National Championships will be there. I have just confirmed that Neal Agran and I will be coming, and renting cars, representing the Midwest. Tyler should be there, along with Rafi, Rob, Everett, Tim (hopefully!) and many of the SoCal regulars. Who is going to represent from Arizona? This is your chance to race against, and measure up against the 2011 National Championship Drivers! Norm? Joe? Dave? Steve? Jeff?

How about the a few NorCal guys? Ken, Jerry, Steve, Big Pup? Lets make this the biggest 944 event the West Coast has seen!

Update - tentative entry list below:

1. Peter B
2. Tom A
3. Robert H
4. Jim H
5. Tim C
6. Tyler P
7. Everett D
8. Eric K
9. Neal A
10. John N
11. Jim R
12. Rafi G
13. Team ArizonaPain.com (Paul L and Tage E)
14. Joe P

15. Jim H

16. Norm H

17. Rob D

18. John R

Looks like we'll be into the bigger Toyo payouts! Wohoo!

Great news! John Rickard from Black Forest (San Diego) will be racing with us as well in the yellow #77 944! I'm helping him with tech and license crossover stuff. I've been inviting him to come race with us for quite a while now.....

Awesome, I'll add him to the list!

This is a great event to bring some new guys out to like this, as it should be impressive, and a ton of fun!

John N and Everett aren't showing up on the official entry list yet.

We're getting really close to 19, where the Toyo money goes to max! Fingers crossed!
