

## Autoclub Video Thread

Posted by Sterling Doc - 07 Mar 2012 05:45

---

Having recovered from my red-eye flight, I put this video together. I had some trouble with the second part of the video, especially the rear view, but I'll try and get that up later. What a great weekend!

There is some great video in the beginning from the top for starting from the back (voluntarily).

Here it is: [Autoclub Sunday Race 2012](#)
