944-SPEC - 944SPEC - low cost wheel to wheel racing Generated: 5 December, 2025, 15:29

Pressure tester Posted by RacerX - 18 Mar 2014 20:23
moved the car and found some antifreeze on the floor, so I need to see where it's coming from. If anybody has a pressure tester and wouldn't mind lending it out, I'd pay for shipping.
Thanks,
Ken

just usually goto autozone and borrow theirs using the tool loaner program.
