

Drivers Listing info

Posted by pixrken - 30 Mar 2010 00:56

Hi 944-Spec racers,

With the rapid growth of 944-Spec and all the new cars and drivers. Please take a moment to verify your data and submit any updates.

1. click on "Drivers Listing" from the top menu.
2. select your region from the Region pull-down menu.
3. click on "SEARCH DRIVER LISTING"

This will output all racers for your region we have on our database. If you didn't select a region before you click on "SEARCH DRIVER LISTING" this will output all regions which is helpful if you want to see what car numbers are taken. Duplicate car numbers are O.K. if they are in different regions. We just have to sort out who has to modify their numbers when cars with the same number meet at inter region events (i.e. Nationals).

For all the new racers and existing racers who wish to add/modify their data the fields are:

first name

last name

driver's picture (optional)

city (optional)

state

car number

car description (optional)

car picture

region

up to five sponsor names and corresponding sponsor URL's

Currently only the regional series directors can add/modify the database. I'm spearheading this so you can email your updates to me at:

This e-mail address is being protected from spambots. You need JavaScript enabled to view it

If you like to update your car picture please enclose the picture or a URL link to your car picture.

Thanks everyone and have a great race season!

=====

This will be in my top 3 things to do at PPIR for the RMR so wash you car, Mitchell will be taking pictures !

Thanks Ken !

How does one add in their information as I'm not listed? I do not see anywhere it says add new driver.

Right now, Joel only the SD have access to that. I am in the process of having Ken, our webmaster, re-educate me on this, to bring is up to date. Send me a pic you like to use for you racecar's image...

BTW, Joel, great blog in your sig. I love the update on "Racing the 944 Spec way"

Ken added me so I'm ok. I'll be adding to it over the year as I learn more. Now I'm missing going out and sitting in my car closing my eyes and making racecar sounds.
