Brad will be in the "Mistress", my blue 944 from last year.

944 Spec has now "arrived" in the Great Lakes, and should grow quickly, with Brad at the helm!

Affordable race cars are available for rent, build or purchase of a turn-key car - contact Brad or I for details.

Bennington Motorsports <http://www.BENMS.com> will be providing affordable, full service trackside support, and rentals for the 944 Spec drivers this season at select Great Lakes events, and enduros.
