Registration has opened for this years Nationals at Mid-Ohio! Get in while it's cheap(er)!

More info to come, and will be posted here as it comes.

Here's my video from 2007 for teaser: <http://video.google.com/videoplay?docid=-4422859364372017500&hl=en#>.

There's been a fair amount of interest in rentals. I know Bennington Motorsports will have some. Contact Nick at BENMS.com.

I think about working on connecting some local cars that would otherwise be idle with drivers flying in, as well.
