

NASA-MS @ Barber

Posted by AEvans - 09 Aug 2015 12:39

We have a good bit of time until Barber with the Mid South crew but based on some chatter at the last Road Atlanta event, it's sounding like we may have a nice sized field out there. The event isn't until the end of October but I'll kick this off with a roll call of drivers in hopes that those with a soft commitment might fold to peer pressure...
