Registration options for participants include:

Competition School - You must be approved by Shawn before registering

Instructor Clinic (pending ample registrants)

Racing

Time Trial

HPDE 1 (novice, with an instructor, limited passing)

HPDE 2 (intermediate, solo driving, limited passing)

HPDE 3 (advanced, solo driving, passing anywhere with a point by)

HPDE4 (advanced, usually for instructors or those with 20+ events, passing anywhere with a point by)

Supersize for TT (for racers who also want to participate in Time Trial)

Transponder Rental

Hyperdrive

The Hyperdrive option is for one 20 minute session on track and is geared toward those that are trying to determine if this is something they would like to do. In this session, you will have both a classroom and

on track session with your car and an instructor. You do not need to be a member to participate and this option is great for family members as well as your crew. Loaner helmets are available as well.

For HPDE1, an instructor will be assigned to you. There is no area to request an instructor on this event registration page. If you would like to be assigned a particular instructor that you know will attend this event, please email Shawn Taylor at
