15" cookie cutter rim available locally? Posted by bnewport - 27 Oct 2009 20:58	
Getting ready for the enduro at Road Atlanta. I have two sets of rims right now, one will have the dry res, the other the wets but I'd like an extra rim for a spare probably for left front just in case. Anybor one to sell it?	
Re:15" cookie cutter rim available locally?	

Billy, I have a couple of extra, and could bring one to Road Atlanta for you for \$75. No shipping needed that way, unless you need it sooner. If so I'd split shipping with you.
