

Looking to be Co-Driver in AB Enduro (7/16)

Posted by jāje - 06 Jul 2010 07:49

I'll be making the AB race July 17/18 and will be getting in right before the Enduro starts. I won't have time to run my own car as I have to get the annual NASA done (no shops close to me here that I can get it before hand) and get the trailer / car unpacked. So I'm looking to co-drive if anyone is around.
