

I'm wearing a diff. helmet this year

After much weighing of reason's to race vs not to race at Nationals this year, the not to, won by a land slide.

Good news for me is Dave Balingit and John Lindsey are using me to help run the event, Registration, grid etc...it sounds like I will be the gofer as needed guy. So I maybe wearing lots of helmets (hats) this year. 944 is very fortunate to have Ken there as 944spec director who I have found to be one of the most valuable and most balanced players in 944 spec. His energy is so calming, having fun is always a priority along with his knowledge of the spec rules makes him "The Man" I will miss Joe a lot up there this year and my thoughts are with him and Gina.

If any of you need me for anything, let me know.

Hope I am still invited to Jim Richmond's pizza party, I did watch intensly last year as the pros did a motor swap!!!

Be safe!!!

Norm are you saying that you are not racing with us this year?

If that is true, that sucks!!!!!!

Say it isn't so.

Charley, Thanks for your note, this was one of the hardest decisions I've had to make in a long time, Chuck Taylor, myself and a couple of others were at MMP's inaugural race in 2006 and I haven't missed a year yet, it does make it easier to know that I will be a part of the program. I love the 944spec family and will be there to help when I can as well.

Good luck Charley, be safe, see you there!
