

2016 Championships @ WGI

Posted by AgRacer - 15 Jul 2016 05:33

So who all is planning on attending? I saw one or two of the usual suspects entered early on but those names have since dropped off. Is anyone planning on going? I know WGI is a bit out of the way for the three eastern regions which have a good group of Spec racers, but it is a destination track and would be a lot of fun for an event like this.

As of right now I am still planning on going and have family planning on coming as well so I'm kind of locked in right now. Anyone else?

I do know of 2 or 3 from the Southeast who are making plans or have committed to going, but haven't registered yet

Now one registered for the event (McCue).

Anyone else planning to go?

Mike Dearstyne, Steve Brewster, and I will definitely be there. Hoping some of our new guys will come too!

We need more cars! Only Stanley for the southeast?! No one from Colorado?! We're up to 4-cars from Great Lakes (with 5 drivers).

What gives?!
