

Short 5th Gear

Posted by Motul 47x - 06 May 2008 08:59

Hi Guys,

I am looking for a short fifth gear. Anybody have a setup they are willing to sell or know a shop I can get one from.

Thanks,

Austin Newmark

Norman are you selling that with some of your special driving MOJO ? I bet you could triple the price if someone thought "the Norman" touched it ...

face it your a "super star" !

Thanks Chuck Taylor "all star"

Super Star???? Me, that's funny!

This gear set came from Chris Cervelli, a true Super Star!
