

944 Spec build 2/25/12 in Cumming, GA

Here we go, time to start on another southeast 944 spec car!! The interior has been stripped so all the goodies have been claimed, but there is still plenty to do and possible surprises. Swing by the chicken shack to help us rebuild the motor, suspension and brakes.

Party starts at 9AM on 2/25/12 in Cumming GA, lunch and beer will be provided -no light beer! Stop by to help, hang out or show off your ride. Stay as long as you want, overtime will not be paid!

PM me for locations and details -Hope to see a huge crowd as we build the 944 spec series in the southeast!!

Great stuff. Post up some pics when you can, and let us know if you have any questions along the way!

Time for "The 944 build party. Part II"; Look for the movie trailer in a theater near you.
