Cam Tower Posted by karbuf - 21 Jan 2013 04:55
Found answer to question need to know how to delete discussion after posting
Re: Cam Tower Posted by karbuf - 08 Feb 2013 17:27
Well the tower had to be sacrificed to get that bolt out Good news is that the head has been safely removed
Now I need that tower How much would you want for that tower tcomeau?
Next question Do all 2.5L na cams have the same grind profile? Can I use my current cam in a different tower?
Thanks! tim
