Fuel System Rules changes (15-16) Posted by Joepaluch - 07 Nov 2009 22:53 These are PROPOSED changes gather from the various discussions. Use this area to further discuss these. Based on the feedback we get the rules will be changed (or not) to reflect these updates. It is anticipated that some rules changes will NOT be accepted, but all are up for debate. 15 Fuel Filler neck Restrictor Fuel filler neck may be modified to remove the diameter restrictor. 16 Fuel Lines Aftermarket & Coverings Rubber fuel lines from the chassis to the fuel rail may be replaced or modified. Any covering or heat shielding allowed on these lines in the interest of fire prevention. Re:Fuel System Rules changes (15-16) Posted by Big Dog - 19 Nov 2009 12:46 OK, Joe. You are right. I just ordered a new, bigger bus so when can you pick up the old one. I need in out of the way by the time the new one is delivered.	deficition of postimor, 2020, 12.27
