Posted by Sterling Doc - 21 Sep 2010 13:41 We're taking some time to hash out the significance, and precision of the Tragmate as a tool in rules compliance before we bring options to the table. Nothing will be implemented (if anything) before there's a public discussion, input taken, and guestions answered. Re:2011 changes?
Posted by cbuzzetti - 21 Sep 2010 23:57 How many cars in 944 had a tragmate? I know mine did, just curious.
