

## March Racing in Texas

Posted by Timwold - 03 Feb 2014 13:56

---

There is a NASA Race in March (march 8th and 9th) at MSR Cresson and a PCA race (March 14-16th) at TWS. I will not be able to make the NASA race as it is my son's birthday. The PCA registration is open and I am not sure about the NASA race. Below are the attendees that I know about. Please respond with the race(s) you plan on attending.

NASA at Cresson

1. Ryan Peterson
2. Phil Hanson

PCA at TWS

1. Todd Imwold
2. Steve Coomes
3. Chris Blazer
4. Kevin Williams
5. Greg Hutmacher
6. Julie Bailey
7. Phil Hanson
8. Carl Fehres (Coomes Rental)
9. Terry Morris

Great to hear Phil.

I have updated the lists above. It is looking like we will have at least 11 at TWS. Not sure about the total for Cresson.

Jason- too bad you won't be here. There is a lot of interest in Blazer's rental so we should have 12-13 SP1 cars.

On another note blazer and coomes will be running Road Atlanta with PCA at the end of March so you should register for that race.
