Great to hear Phil.
I have updated the lists above. It is looking like we will have at least 11 at TWS. Not sure about the total for Cresson.

Jason- too bad you won't be here. There is a lot if interest in Blazer's rental so we should have 12-13 SP1 cars.
On another note blazer and coomes will be running Road Atlanta with PCA at the end of March so you should register for that race.
