

PCA Hallett October 3-4

Posted by Timwold - 03 Sep 2015 17:47

Registration is open and 10 SP1 cars are signed up. Who else is in?

Registered

Scrambling to get my build done.

It'll be my rookie race.

In other words somewhere between 'nothing to see here' and moving chicane.

Too many business trips -- Build not quite there yet -- so instead of scrambling -- I'm going to wait to debut at MSR-C.

Have fun, be safe, will be racing with you guys soon enough.
